## **Real Estate Marketing Service Offers Special Package for Arizona Homes on the Market over Six Months**

### ***VisitMyLuxuryHome.com's 'Get It Sold' Package Includes Online Room-by-Room Guided Video Tours***

PHOENIX, AZ (March 11, 2008) — VisitMyLuxuryHome.com today announced new "Get It Sold" package pricing for Arizona homes that have been on the market for more than six months. The package includes VMLH's online video open house service, a featured listing on the company's homepage, and inclusion in their iTunes webcast, all at 20% off the standard pricing. The package is available at VisitMyLuxuryHome.com.

Each Online Open House showcases a residential property with state-of-the-art high-definition video and a professional presenter providing a room-by-room guided tour. The service provides a 'you are there' experience with narration similar to an on-site visit that is unavailable with traditional photos or slideshows.

"In today's market, it's not uncommon for a home to languish on the market month after month, and that can be extremely frustrating for both the owner and the realtor," said Tiffany Young, a partner at VisitMyLuxuryHome.com. "Our service allows a home to stand out from the crowd and get the extra attention it needs from both local and out-of-town buyers."

"I had already bought a new home without selling my old one and was carrying both mortgages. I was paying thousands each month to the bank and was considering a \$10,000 price drop," said homeowner Darren Binard. "Spending a few hundred dollars on better marketing made much more sense."
